GOVERNMENT OF SINDH
TRANSPORT & MASS TRANSIT
DEPARTMENT
SUMMARY No. 95 Dated 25-5-2016

SUMMARY FOR CHIEF MINISTER, SINDH

SUBJECT: HIRING OF INDIVIDUAL CONSULTANTS (PROFESSIONALS) FOR
TRANSPORT AND MASS TRANSIT DEPARTMENT

With a view to cope with the increasing travel demand, ensuring safe and clean environment, the Transport and Mass Transit Department (TMTD) is committed to undertake Sindh Government's strategy towards transport infrastructure development through public sector financing and Public Private Partnership initiatives.

2. With it's meager human resource, the Transport and Mass Transit Department has taken initiatives for development of Bus Rapid Transit projects which include BRT Orange Line, Yellow, Blue Line, Red Line and Karachi Circular Railway, Motor Vehicle Inspection Centers, Constructions of Bus Terminals, and intercity buses project, etc.
3. The SG&CD, made amendments in the Sindh Government of Rules of Business 1986 and Karachi Mass Transit Cell has been merged with Transport Department as "Transport and Mass Transit Department" vide Notification dated 22.07.2013 (Annexure-I). After that, the SG&CD notified the Schedule-II, vide Notification dated 11.02.2015 "Amendments in Rules of Business 1986 and made entries as referred in said Notification (Annexure-II). According to the said Notification, the Karachi Metropolitan Corporation relieved the Officers / Officials of Karachi Mass Transit Cell with the direction to report to Secretary, Transport and Mass Transit Department Sindh vide Order dated 07.04.2015 (Annexure-III) and the A.D. notified their joining vide Notification dated 14.04.2015 (Annexure-IV).

4. The A.D. completed all the process regarding transfer of KMTC to Transport and Mass Transit Department Sindh, after that the A.D. several times requested the Finance Department Sindh for placing the regular budget and others of KMTC at the disposal of Secretary, Transport and Mass Transit Department. Recently, Finance Department vide letter dated 21.05.2016 intimated that the request of Transport and Mass Transit Department regarding placement of the regular Budget and others of KMTC at the disposal of A.D. can not be entertained (Annexure-V). This situation, will create problems in smooth running of the Mass Transit Projects.

5. While the TMTD in making efforts for setting up of Project Management Unit (PMU) for BRT Orange line, Project Implementation Unit for MVI Project and Public Private Partnership Mode, serious difficulties are being faced to manage the projects with limited manpower resources. In the meanwhile, Mr. Fazal Karim Khatri, Director, Planning & Coordination / Director (Tech) has already retired on April 11, 2016. Whereas Mr. Muhammad Athar, Director General Karachi Mass Transit Cell / Project Director, BRT Orange Line / Project Manager MVI project, shall be retiring on 9th July, 2016. As a result, there will be acute problem for running the affairs of the Mass Transit Program.

6. In view of the circumstances as stated above, it is proposed that the services of the 3 professionals may be hired on contractual basis for a period of three (03) years to smoothly run the affairs of the department particularly the technical matters related to development and implementation of the projects as per the financial implications given below:

S.No.	Description of Professional	Proposed Remuneration per month	Financial Impact per Year

SUBJECT: HIRING OF INDIVIDUAL CONSULTANTS (PROFESSIONALS) FOR
TRANSPORT AND MASS TRANSIT DEPARTMENT

9 The proposal of Transport and Mass Transit Department to hire services of consultant (professionals) to assist in running the affairs of Mass Transit Programme being launched, could be supported in view of non-availability of professionally sound persons. To undertake this stop gap arrangement the T&MT Department may also include provision for hiring such services in their next year SNE. The salary structure for the proposed consultant seems to be on higher side since the department intends to engage retired officers / persons therefore their services may be hired at their last drawn salaries. The T&MT Department may strongly make efforts to establish a permanent wing / directorate for handling Mass Transit Projects through their SNE.

10. The proposal of T&MT Department at para-6 of the summary may be considered in light of submission at para-9 above.
